Dear Mr. Gregory,

I'm so sorry for the delay in getting this material to you but it took an unusually long time to finish the roll of film. These pictures were on and to get them developed.

The kids are very anxious to see their pictures in print.

I never did receive any pictures for me to identify, so I have enclosed some more.

Once again thanks for your concern.

Yours truly,
Douglas C. J. F.

P.S. Our club is called the Viking Coin Club because of our school.
